The Reaves Utility Income Fund

The investment objective of the Fund is to provide a high level of income and total return consisting primarily of tax-advantaged dividend income and capital appreciation. There were approximately \$1.1 billion of total assets under management and 29.0 million common shares outstanding as of December 17, 2013.

An investor should consider investment objectives, risks, charges and expenses carefully before investing. To obtain a prospectus, annual report or semi-annual report which contains this and other information visit www.utilityincomefund.com or call 1-800-644-5571. Read the prospectus carefully before investing or sending money.

The Reaves Utility Income Fund is a closed-end fund and closed-end funds do not continuously issue shares for sale as open-end mutual funds do. Since the initial public offering, the Fund now trades in the secondary market. Investors wishing to buy or sell shares need to place orders through an intermediary or broker. The share price of a closed-end fund is based on the market's value.
